What a difference a few miles can make.

Everyone knows that a new car loses thousands of pounds in value in its first few months. But did you know how much you can save with Richard Nash?

Our nearly new cars are a smart buy. We check everything very carefully and our cars have most of the three years of the manufacturer's warranty still to run.

For over 20 years, we have specialised in finding cars so new that you can hardly see the difference. And we do it big time so you always have a great choice. Right now we have more than 300 nearly new cars for you to choose from. You can see details on

our website at www.richardnash.co.uk or in our listing ad on the back page of the motoring supplement of this paper.

Whether you want a small run-about, a comfortable saloon or a family people carrier, you'll find a great choice and stunning value at Richard Nash. We also offer finance and part exchange to make it easy for you to get into your next car.

You get the same performance, comfort and style as a new car; you just don't pay as much.

Don't take our word for it; come and see for yourself.
